01 ABOUT DIL SE FOUNDATION

Dil Se Foundation is a registered non-profit organisation (G88SD1384/2022), founded in 2014 by Kapil Jhaveri Sir and headquartered in Mumbai, Maharashtra. The Foundation operates with an unwavering belief that compassion, when paired with purposeful action, can transform communities and restore hope to those who need it most.

From the busy streets of Mumbai to the villages of Punjab, Haryana, and Gujarat, Dil Se Foundation's work spans seven states — Maharashtra, Goa, Rajasthan, Gujarat, Karnataka, Punjab, and Haryana. Over the years, the Foundation has grown from a single monthly initiative into a multi-programme social enterprise touching tens of thousands of lives across the country.

The foundation's philosophy is simple yet profound: Serving is Praising. Every drive, every camp, every class, and every act of kindness is an expression of gratitude — for life, for community, and for the privilege of being able to give back. Today, Dil Se Foundation runs seven flagship programmes covering environmental sustainability, healthcare, women's empowerment, education, animal welfare, and selfless community service.

02 VISION, MISSION & CORE VALUES

Our Vision

Dil Se Foundation envisions a world where dignity, equality, and opportunity are not privileges reserved for the few — but fundamental rights accessible to every human being. A world where every child learns in safety, every woman has the power to sustain herself, and every community breathes clean air and lives in a healthy environment. Guided by the belief that even the smallest act of genuine kindness can change the course of a life, the Foundation aspires to build stronger, more compassionate communities that thrive on empathy, shared humanity, and collective purpose.

> *"Serving is Praising — Dil Se."*

Our Mission

At Dil Se Foundation, the mission is to touch and transform lives with compassion, purpose, and unwavering dedication. Every initiative is designed not merely to provide immediate relief but to create lasting change — restoring dignity, building capability, and empowering communities to rise. With the strength of collective action and the support of dedicated Sevaks, the Foundation aims to reach farther, serve more, and create ripples of positive change that endure across generations.

> *"Together, let's serve selflessly — Dil Se."*

Core Values

Compassion	Serving every individual with genuine empathy, warmth, and care — regardless of background or circumstance.
Integrity	Acting with complete honesty, transparency, and accountability in every programme and interaction.
Inclusivity	Embracing all people — across gender, caste, religion, and age — with equal respect and opportunity.
Sustainabi lity	Designing programmes that create long-lasting impact rather than short-term relief.
Collaboration	Building strength through meaningful partnerships with volunteers, NGOs, government bodies, and corporates.
Empowerment	Equipping individuals — especially women and youth — with skills, knowledge, and confidence to lead.

03 LEADERSHIP & GOVERNANCE

Dil Se Foundation is guided by a dedicated Board of Trustees who bring together diverse professional expertise, deep compassion, and a unified commitment to social transformation. Their leadership ensures that every programme is delivered with transparency, responsibility, and maximum impact.

Name	Designation
Kapil Jhaveri Sir	Founder & Trustee
Namit Jhaveri Sir	Co Founder & Chairman
Kranti Shanbhag Sir	Co Founder

04 CUMULATIVE IMPACT AT A GLANCE — 2022 TO 2026

The following figures represent the complete, consolidated impact of Dil Se Foundation across all programmes from 2022 to 2026. These numbers reflect years of sustained effort, compassionate service, and the collective energy of thousands of Sevaks, volunteers, and partners who gave their time, resources, and heart.

57 Beach Clean-Up Drives	**2,940** Beach Volunteers	**50+** Blood Donation Drives	**2,771** Blood Donors

18 Guthli Project Participants	**4,010+** Distributed	**2,686** Beneficiaries	**1,699** Registrations Done

05 PROJECT HEALTHCARE

Project Healthcare is one of the most impactful pillars of Dil Se Foundation's work. Rooted in the belief that good health is a fundamental right — not a privilege — the project operates across three streams: Blood Donation Drives, Stem Cell Donor Registration, and Sanitary Napkin Distribution with menstrual hygiene awareness. Together, these three streams have reached tens of thousands of individuals across India, saved lives, restored dignity, and built a healthier, more informed society.

> *"Health awareness is the strongest medicine of prevention."*

A. Blood Donation Drives

In collaboration with Tarun Mitra Mandal & other Blood Council, Dil Se Foundation organises blood donation camps across Maharashtra, Goa, Gujarat, and Karnataka. Each camp is preceded by awareness sessions on the importance of voluntary blood donation and its life-saving impact for patients in critical need — from accident victims to those undergoing surgery or cancer treatment.

	Total Documented Units — 2022 to 2026	2771 Donors

Note: The cumulative 2022–2026 total of 2,771 donors reflects all drives including those not individually listed above.

B. Stem Cell Donor Registration

In partnershipwith DATRI Blood StemCell Donor Registry, Dil Se Foundation conducts awareness sessions on the significance of stem cell donation for blood cancer and Thalassemia patients. Trained representatives conduct on-the-spot registration and buccal swab collection at each drive. Willing donors are sensitised about the process, the importance of remaining registered, and the life-saving potential of a single match.

Since inception, the programme has grown exponentially — from 65 registrations in a single drive in 2023–24 to 1,221 registrations across 26 drives in 2024–25 alone. To date, 8 matches have been identified and 6 donors have successfully donated stem cells. One of them, Mr. Suraj Gupta, donated to a Thalassemia patient — a milestone moment for the entire Foundation.

	Total Registrations — 2024–25	**1,221**

Note: The cumulative 2022–2026 total of 2316 donors reflect all drives including those not individually listed above.

C. Sanitary Napkin Distribution

SinceJanuary 2023, DilSe Foundation distributes free sanitary napkins to underprivileged women in slum communities across Gorai, Malvani, Navi Mumbai, Kandivali, Amritsar, Vaibhav, and other locations. Every distribution drive is paired with a menstrual hygiene awareness session covering proper usage, hygienic disposal, and health risks linked to unhygienic practices and the use of cloth as a substitute.

This programme has not only improved physical health outcomes but has also broken deep-rooted stigma around menstruation — creating open, informed conversations in communities where the topic was previously considered taboo.

06 PROJECT ENVIRONMENT & SUSTAINABILITY

Dil Se Foundation is deeply committed to protecting and preserving the natural world for future generations. The Environment project works on multiple fronts: cleaning beaches of harmful waste, planting trees in urban and rural landscapes, returning mango seeds to farmers through the Guthli Initiative, and promoting eco-friendly celebrations through the Eco Bappa Contest. Each of these efforts reflects a broader mission — to inspire a culture of environmental responsibility that extends beyond the foundation's direct activities.

> *"Care for the Earth today — for a better tomorrow."*

A. Beach Clean-Up Drives

Regular beach clean-up drives are conducted at Erangal Beach (Malad), Juhu Beach (Andheri), and Aksha Beach, in collaboration with NSS units of various colleges, Project Mumbai, TTMSCCS, and NAR Foundation. Waste is systematically collected, segregated by type, and channelled to appropriate treatment facilities. The Foundation also organises special clean-up drives after the immersion of Ganesha idols during the festive season — one of the most waste-intensive events on Mumbai's coastline.

Cumulative 2022–2026	**57**	**2,940**	**29,40,000 KG / 2,940 Tonnes**

B. Tree Plantation Drives

In collaboration withMr. SubhajitMukherjee's Mission Green Mumbai and dedicated student volunteers, Dil Se Foundation conducts tree plantation drives across urban and rural Maharashtra. Free mango saplings are distributed to farmers in Satara, Kolhapur, andother villages in rural Maharashtra, supporting both environmental and agricultural goals simultaneously.

Tree Plantation 2024–26 — Location-Wise Data

Location	Trees Planted

Total — 2024–25	**1,045**

C. Guthli Returns Initiative

TheGuthli Returns Initiative is an innovative, grassroots sustainability programme unique to Dil Se Foundation. Urban residents are encouraged to save mango seeds (guthlis) — which would otherwise be discarded as kitchen waste — and hand them over to the Foundation. These seeds are then distributed free of cost to farmers in rural Maharashtra, supporting both biodiversity and agricultural livelihoods. The initiative beautifully bridges urban sustainability awareness with tangible rural impact.

D. Eco Bappa Contest

The EcoBappa Contest isan annual awareness initiative that encourages participants to create Ganesha idols using eco-friendly, biodegradable materials — reducing the chemical and plastic waste traditionally associated with idol immersion. The contest has engaged 14+ participants and continues to grow as a platform for environmental education, creativity, and community celebration.

07 PROJECT LIGHT — SKILL DEVELOPMENT FOR WOMEN

Project Light is one of the most transformative initiatives of Dil Se Foundation — a skills-based empowerment programme that gives women the tools to build independent, dignified livelihoods. Operating through two dedicated Skill Development Centres in Katraj (Pune) and Kondhale village (Wada, Palghar), the programme offers structured, professional-quality vocational training at 51 fees charge to women & Youth aged 15 to 50.

Courses include Sewing & Tailoring, Aari Work, Mehndi Art, Makeup & Beautician Skills, Computer Training, and Diya Making. Professional trainers guide participants through practical, hands-on learning — equipping them not just with a skill, but with confidence, self-reliance, and income-generating capability. The Pune centre opened in February 2024 and the Wada centre was inaugurated in November 2024 during Guru Mahima Month.

> *"Be the light that helps others rise."*

08 RANJAN JHAVERI LOTUS KINDERGARTEN SCHOOL (RJLKES)

Ranjan Jhaveri Lotus Kindergarten School (RJLKES) was established in 2010 in Amritsar, Punjab, and adopted and fully funded by Dil Se Foundation from 2021 under the leadership of Kapil Jhaveri Sir. The school provides quality education and holistic development to children from underprivileged backgrounds — children who would otherwise have limited or no access to formal schooling.

At RJLKES, learning is far more than academic achievement. The school is designed to nurture confidence, values, and life-readiness alongside core subjects. Over 100 children from Nursery to Primary Section are supported with quality education, textbooks, stationery, school uniforms, and nutritious daily meals in a safe and joyful environment. Special programmes like Snacky Saturdays, jacket distributions, brainstorming activities, and science centre excursions make learning a celebration.

The school also runs a free Skill Development Centre for women and youth from the surrounding community — offering sewing, beautician, mehndi, and computer courses to residents aged 18–50. In this way, RJLKES serves not just the children who study within its walls, but the entire community around it.

> *"When a child learns, a nation grows."*

09 PROJECT ANIMAL WELFARE

Project Animal Welfare reflects Dil Se Foundation's deep, heartfelt commitment to the animals who share our world but cannot speak for themselves. Rooted in the principle that all life deserves compassion and care, the Foundation's dedicated volunteers ensure that stray dogs, cats, cows, and birds in the Vasai-Virar region receive nourishing daily meals, timely rescue, and ongoing medical attention.

Beyond feeding and rescue operations, the Foundation installs bird feeders in residential areas, fits reflective safety bands on cows to reduce road accidents at night, and provides veterinary support for injured or sick animals. The programme actively promotes responsible, compassionate coexistence between human communities and the animals within them.

> *"Their lives matter — our kindness saves them."*

10 GURU MAHIMA MAHOTSAV MONTH

Guru Mahima Mahotsav Month is a sacred and deeply meaningful time of collective seva, reflection, and gratitude — dedicated entirely to honouring the vision, teachings, and selfless spirit of the Foundation's Founders: Kapil Jhaveri Sir and Gurmeet Singh Sir. Every November, in tribute to these guiding lights, Dil Se Foundation commits to one act of service every single day — 30 & more seva activities in 30 days.

The initiative spans a remarkable breadth of humanitarian work: from blood donation camps and stem cell registrations, to feeding stray animals, distributing blankets to homeless individuals, supporting orphanages, serving police officers, empowering transgenders, distributing notebooks to school children, and inaugurating new skill centres. Every act is a living tribute to the values of selfless service that define Dil Se Foundation.

> *"30 Days. 30 Acts of Seva. One Purpose — Selfless Serving."*

11 PROJECT SELFLESS SEVA — COMMUNITY & SEASONAL OUTREACH

Project Selfless Seva is the expression of Dil Se Foundation's founding spirit — serving humanity with humility, consistency, and unconditional compassion. Through this programme, Sevaks carry out community outreach, seasonal relief distributions, and festive celebrations with people who are often overlooked: the homeless, the elderly, orphaned children, the differently-abled, and daily wage workers.

From distributing warm blankets and jackets in the biting winter months, umbrellas and raincoats during the monsoon, and cooling water and chhaas in the summer heat — each act of service is carefully designed to meet the specific needs of each season and each community. Special celebrations are organised on Christmas and New Year for children in orphanages. Police officers and traffic wardens are remembered on festivals with snacks and refreshments as a heartfelt expression of gratitude.

> *"Serving is praying — when done Dil Se."*

Seva Activities — Thematic Summary

Category	Activity	Impact
Winter Relief	Blanket Distribution — Chandigarh	150 blankets to 150 homeless individuals
Winter Relief	Jacket Distribution — Shikrawa Village, Haryana	100 children received warm jackets
Summer Relief	Chilled Water & Buttermilk Drives	Ongoing seasonal community camps
Monsoon Relief	Umbrella & Raincoat Distribution	Distributed as needed — annual programme
Community Feeding	Food Distribution for Homeless — Dahisar to Vile Parle	200 food packets distributed
Elder Care	Old Age Home Visits — Maru Ghar, Borivali	Groceries, milk & companionship — 743+ beneficiaries
Child Welfare	Orphanage Meal Support — Manali & Bandra Balashram	Meals served to 145+ children
Inclusivity	Ration & Meal Support for the Transgender Community	45+ beneficiaries across multiple drives
Disaster Relief	Flood & Natural Disaster Relief Distribution	Ongoing — as and when required
Festival Gratitude	Christmas Celebrations with Children	Multiple orphanage locations
Festival Gratitude	New Year Snacks & Tea Distribution for Police Officers	50 officers — annual tradition

30 Act Of Kindness	across states seva	Seva
Education	School Fee Payment (Free Education)	10 students — Varsoli, Alibaag

12 AAYUSHMAN BHARAT — GOVERNMENT SCHEME REGISTRATIONS

As part of its commitment to healthcare access and social equity, Dil Se Foundation actively facilitates registrations under the Aayushman Bharat Pradhan Mantri Jan Arogya Yojana (PM-JAY) — India's flagship government health insurance scheme that provides free medical coverage of up to ₹5 lakh per year for qualifying families. Foundation volunteers visit underserved communities, identify eligible individuals, and assist them through the registration process to ensure no eligible citizen is left without coverage.

This initiative reflects the Foundation's belief that access to government welfare schemes is a right — not a privilege — and that awareness and documentation support can make an enormous difference to families living on the margins.

2,686	1,699	5
Total Beneficiaries Reached (2022–2026)	Registrations Successfully Completed	Beneficiaries Who Have Utilised the Scheme

Metric	Count
Total Beneficiaries Identified & Reached	2,686
Registrations Successfully Completed	1,699
Beneficiaries Who Have Utilised the Scheme	5

Efforts continue to follow up with registered beneficiaries, encourage scheme utilisation, and expand outreach to more communities across Maharashtra.

13 DIL SE SEVAK VOLUNTEER MOVEMENT

The Dil Se Sevak Movement is the heartbeat of everything the Foundation does. Sevaks are individuals from all walks of life — students, working professionals, homemakers, retired citizens — who choose to give their time, energy, and compassion to serve society without any expectation of return. They are the people who show up at 6 a.m. for beach clean-ups, who load and carry grocery bags to old age homes, who sit with elderly residents and listen to their stories, and who register stem cell donors with the gentle confidence that comes from believing in the cause.

Dil Se Sevaks are more than volunteers — they are social change agents. By taking ownership of the Foundation's programmes and extending their reach into their own communities, Sevaks multiply impact exponentially. Many Sevaks go on to lead local chapters, train others, and independently organise drives in their cities, towns, and villages.

> *"Together, we serve. Together, we grow. Together, we transform society."*

Voices of Our Sevaks

Join the Dil Se Sevak Movement

Dil Se Foundation warmly welcomes individuals who wish to volunteer, contribute skills, or support programmes. Registration is open year-round. Whether you can give one hour a month or one day a week — every moment of seva makes a difference. Reach us at 9136784040 or via Instagram @dilse_org.

14 UN SUSTAINABLE DEVELOPMENT GOALS ALIGNMENT

At Dil Se Foundation, every programme has been consciously designed to contribute toward the United Nations' 2030 Agenda for Sustainable Development. The Foundation's work touches 17 of the 17 Global Goals — reflecting both the breadth of its impact and its commitment to systemic, lasting change.

UN SDG	Dil Se Foundation Seva Activities
SDG 1 – No Poverty	Government scheme registration camps, welfare aid for elderly, ration kit distribution, livelihood & skill development programmes for women and youth
SDG 2 – Zero Hunger	Food packets for homeless individuals, orphanage meals, ration distribution drives, seasonal relief support
SDG 3 – Good Health & Well-being	Blood donation camps, stem cell registration with DATRI, organ donation awareness, Ayushman Bharat registrations, sanitary napkin drives, menstrual hygiene awareness, animal medical care

15 LOOKING AHEAD — 2026 AND BEYOND

As Dil Se Foundation reflects on four years of meaningful service, it looks ahead with renewed energy, expanded vision, and deepened purpose. The journey from 2022 to 2026 has been one of growth — in scale, in impact, and in the hearts of every Sevak who has served alongside us. The coming years will be defined by the following commitments:

- Expand tree plantation initiatives across Maharashtra and other states as a long-term environmental mission.
- Strengthen stem cell donor registration drives across cities to reach underserved communities.
- Strengthen Skill Development Centres by introducing practical vocational programmes and self-employment opportunities for women and youth.
- Expand the RJLKES School in Amritsar to support more children and strengthen community learning programmes.
- Increase Aayushman Bharat registration drives and ensure beneficiaries actively utilise healthcare support.
- Strengthen the Dil Se Sevak Movement by encouraging active volunteer participation across cities.
- Continue Guru Mahima Month as a year-round inspiration for consistent seva and community service.

Together, let us serve selflessly — ***Dil Se.***
